Annual Parade of Chapters

We are **excited** that our chapter contributed to The Oncology Nursing Foundation (See our above picture that was submitted for the virtual parade of chapters) again. The Oncology Nursing Foundation allows you to give directly to nurses who specialize in cancer care and are dedicated to improving their patients' outcomes. Funds are granted from the foundation to reflect the needs of today's oncology nurses and help them address the complexities of cancer care. Check to see if you would be eligible for a national scholarship on the ONS national page!

The dog days of summer are upon us!

Where did the time go?

The WCMONS has had a busy year! Here is a recap of events!

February: February brought hopefully our only virtual event of the year. The chapter hosted a virtual AML overview, which was well attended.

March: We celebrated our first in person event with an overview of ONS Congress 2021, as well as a presentation on the History of HELA Cells. Both presentations were given by ONS members with one ILNA point provided.

May: As with the ever changing world, May brought a new location to our Vendor Fair. With a new location, we were able to increase available space for vendors and hosted over 35 vendors. We also provided an opportunity for socializing over food and drink!

June: Summer brought sunshine and socializing with a social at Milk and Honey Cidery. We ate pizza and enjoyed 10 games of riveting bingo as we sipped cider! The evening was perfect and the company even better!

West Central MN Scholarships-

Submitted by: Taylor Schroeder, President Elect

Are you eligible?

This summer has been so exciting with all the interest in scholarships! We can't wait to hear from Megan Larson who was granted the continuing education scholarship! Stay tuned to next year's events to hear from Megan! We are also excited to announce our most recent nursing student scholarship recipients: Bobbie Kilpela and Chukwue-meka Etuakwu!

Scholarship opportunities are available for obtaining your OCN, becoming a member of the WCMNONS chapter, and for enhancing your knowledge by attending ONS Congress.

Check out the opportunities and deadlines for application today at <https://communities.ons.org/westcentralminnesota/resources/new-item2>

Keep the applications coming in for our other amazing opportunities!

Treasurer's Update

Submitted By: Markie McLaughlin, Treasurer

Another successful vendor fair has come and gone. Thanks for all the vendors who came out to support this year's event!

With funding we were able to offer a scholarship for continuing education to one of our members to attend a conference on tobacco health in New Orleans this summer. We will also be awarding two nursing student scholarships!

With the past events and current events coming up, our balances remain stable. Currently we have \$16,329.67 in our checking and \$13,623.66 in our savings.

Your Vote Matters!

Please cast your vote for the 2023 Election!

Submitted By: Kelsey Yasgar, Nominating Chair

The next election is just around the corner- 9/1/22! You will receive an email with a SurveyMonkey link to cast your vote! Please be sure to review the candidates biographies and determine who you think would be the best fit. This is a great opportunity to give your input on the leadership of our West Central MN ONS chapter! Election results will be announced at the end of September and new members will be inducted to the board at the November holiday gathering! If you have any troubles casting your vote please contact me at: onscentralmn.nominating@gmail.com

There is also a great opportunity to become a vital member of ONS! We are still searching for our next President Elect. This position is filled with wonderful experiences and provides you with a local professional network of dedicated nurses! Please contact me ASAP if you are interested in hearing more about what this position entails!

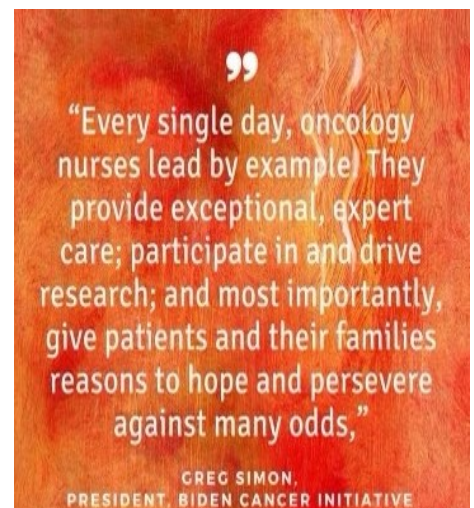

President Elect: Also referred to as the vice president, responsibilities of the president elect includes observing and learning the role of the president, assuming the role of the president if they are unavailable, and consulting with the president throughout the term of office to provide continuity and smooth transition of chapter leadership.

Social Media Co-Chair: Responsibilities include utilizing social media to increase chapter visibility (including events and other learning opportunities), connect with our community, and promote ONS' mission.

Program Co-Chair: Responsibilities include identifying educational needs of the chapter, providing programs that meet these needs, establishing meeting dates, times and locations, and ensuring program committee records are maintained according to procedures established by ONS National.

Secretary: Responsibilities of the secretary include maintaining official chapter records according to policies established by ONS National, implementing an effective communication plan among chapter membership, board of directors, and ONS National, and notifying all chapter and general chapter members about the board of directors' meeting dates, times, and locations.

Treasurer: Responsibilities of the treasurer include ensuring all financial activity is documented and accounted for, prepare and present the treasurer's report at each meeting, ensure chapter dues are submitted to National on time, prepare the treasurer report for submission with the annual report, and develop a proposed budget for the upcoming year to be presented at the board retreat annually.
