

CTONS 2024 Undergraduate Student Nursing Scholarship Application Form

The Central Texas Chapter of the Oncology Nursing Society is offering two competitive scholarships for nursing students interested in the care of patients with cancer. Each scholarship will be for \$750, to be awarded and announced in December 2024 at the CTONS End of Year Celebration. Two scholarships are available for undergraduate students in efforts to help cover the cost of books or class credits.

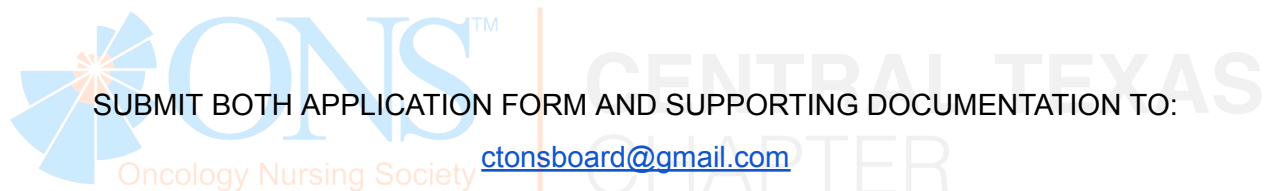

Criteria for Scholarship:

1. ONS National Member (free membership provided to active nursing students)
2. Applicant has attended 3 CTONS meetings or events (virtual or in person) within the calendar year
3. Submit a paragraph about your interest in oncology nursing
4. Submit application by November 29th, 2024 for December 2024 Scholarship

In signing this form, I acknowledge that I understand the criteria as stated above and agree to submit supporting information.
